Aman S. Khasawneh
The Hashemite University
Faculty of Physical Education and Sport Science
Department of coaching and Sport Management
Zarqa-Jordan
00962777728000
E-mail: amana752001@yahoo.com

Brief

Academic degree	Ph.D.
Work place	Hashemite University, Faculty of Physical Education and Sport Science
Academic rank	Professor
University of graduate	Baghdad, Iraq
Year of graduation	2003
General Specialization	Philosophy in Physical Education
Specific Major	Testing and measurement in Physical Education

Educational Background

No	Degree	General specialization	Specific Major	Average	University/ country	Graduation Date	Period
1	Ph.D.	Philosophy in Physical Education	Testing and Measurement in Physical Education	Excellent	Baghdad, Iraq	2003	3 years
2	Master	Physical Training	Testing and Measurement for Disabled	Very good	Jordanian University, Jordan	1998	2 years
3	Bachelors	Physical Education	Physical Education	Very good	Yarmouk, Jordan	1996	4years
Dissertation Title		Proposed Test Battery to Measure some Physical and Skill Abilities for Wheelchair tennis players					
Master's Thesis Title		Locus of control upon motor disabled					

Employment History

No	Place	Period
1	Professor, the Hashemite university	11/3/2016 - present
2	Associate professor/category (A), the Hashemite university	2/2/2015 – 10/3/2016
3	Associate professor/category (B), the Hashemite university	2/1/2011 - 1/2/2015
4	Assistant professor/category (A), the Hashemite university	19/1/2009 - 1/1/2011
5	Assistant professor/category (B), the Hashemite university	2/1/2006 - 18/1/2009
5	Lecturer, the Hashemite University	22/12/2003 - 1/1/2006

Professional Experience

No	description	Place	Period
1	Department Chair	Coaching and Sport Management dept/ Faculty of Physical Education and Exercise Science, Hashemite University	1/9/2017- present
2	Acting Dean	Faculty of Physical Education and Exercise Science, Hashemite University	18/5/2014-12/7/2014
3	Vice Dean	Faculty of Physical Education and Exercise Science, Hashemite University	1/2/2014-22/9/2014
4	Department Chair	Coaching and Sport Management dept/ Faculty of Physical Education and Exercise Science, Hashemite University	8/10/2013-1/2/2014
5	Vice Dean	Faculty of Physical Education and Exercise Science, Hashemite University	16/10/2010-6/9/2011
6	Department Chair	Physical Education Dept/ Faculty of Physical Education and Exercise Science, Hashemite University	12/10/2010-6/9/2011
7	Department Chair	Sport Rehabilitation Dept/ Faculty of Physical Education and Exercise Science, Hashemite University	2/11/2006-7/9/2007
8	Assistant Dean	Faculty of Physical Education and Exercise Science, Hashemite University	1/3/2004-1/9/2005

Courses Taught

Measurement and Evaluation in Physical Education, Scientific Research Methods, Statistic, Sport Training, Health and Sports, Racket Ball Games, Tennis, Soccer and Advanced Soccer, Special Topics in Physical Education, adapted physical education.

Research Interests

Testing and Measurement, Advanced Research Design and Statistical Analysis with SPSS, Diagnosis and Measure anthropometric and physical abilities, Constructing Tests, Sports and Health Fitness, Soccer and Tennis Training, Technology Integration.

Scientific project:

Art Therapy in health education- Erasmus+ programmer of the European Union – participant as main member in the work team representative the Hashemite University, 2020.

Scientific Conferences

No	Title	Place	Date
1	The fifth scientific conference	University of Jordan	2006
2	The second scientific conference” scientific advance in physical education	Yarmouk University	2007
3	The first scientific conference” towards on active community for health and performance	The Hashemite university	2008
4	The first international scientific conference “sport administration	Algeria	2008
5	The seventh international scientific conference towards an ambitious strategy for Arabic sport	Yarmouk University	2015

Scientific Consultations

- Participated in 30 activities that support and provide scientific consultation.
- Providing consultation for graduate students (master and doctorate) in the physical education schools at the Jordanian universities by helping them to finish their studies and complete their statistical analysis.

Scientific Discussion

No	Researcher	type	Title	place	Date
1	Ali abu dary	Doctorate	Proposed norm levels for coordination abilities for the age group (6-9) years as indication for sport selection	University of Jordan	2014
2	Shakah al ajamy	Doctorate	Proposed tests to measure knowledge, attitude and practice (K.A.P) in fitness upon physical education female teachers in Kuwait	University of Jordan	2013
3	Tarq khrasat	Master	Construct test battery to measure basic motor and physical skills at low elementary stage students from (6-9) years as indication for selection	University of Jordan	2010
4	Mahmoud al naimat	Master	Impediments of the practice of sports activities for special needs in the governorates of south Jordan	Mu'tah university	2008
5	Bashar al mahadeen	Master	The impact of a proposed training program by using the adding weights to improve the level of skilled performance among the junior footballers	Mu'tah university	2016
6	Wasfi al zwaideen	Master	The effect of an accompanying mental training program on the development of some basic skills of young football players	Mu'tah university	
7	Zaid al lowbany	Doctorate	Construct test battery to measure physical, physiology and kinematic variables upon junior Jordanian swimmers	University of Jordan	2017
8	Qusi al Omari	Master	Setting standard scores for the skill tests in the football game for students of the Faculty of Physical Education at Yarmouk University	Yarmouk university	2020

9	Mohammad Kahtep	Master	The effect of a proposed program on developing general physical and mobility fitness for young school team players in the Ma'an Education Directorate	Mu'tah university	2020

Training Workshops

Educational Technology and Evaluation, the Hashemite University, 2004.

Statistical Analysis (SPSS), the Hashemite University, 2005.

AFC"C" Coaching Course in Soccer, Asian football confederation, 2006.

E-learning course on following software's: (blackboard, Elluminate, Tegrity, Lectora), the Hashemite University, 2008.

Internal and External Committee:

Head and Member in Many Committees as:

Jordanian Olympic Committee, Technical Committee, (Member), 2007.

Jordanian Olympic Committee, High level sport Committee, (Member), 2006.

Establishing Master Program in Sport Training, the Hashemite University, (Head), 2018.

Establishing International Scientific Journal for Sport Sciences, the Hashemite University, (Head), 2019.

Preparing Committee for Sport Scientific Conference, the Hashemite University, (Member), 2019.

Sport Superiority Committee, the Hashemite University, (Head), 2014.

Study Plans Committee, the Hashemite University, (Head- Member) from 2003-2018.

Central Tenders Committee, the Hashemite University, (Member) 2003, 2005, and 2014.

Quality Assurance Committee, the Hashemite University, (Head), 2004, 2005, 2014.

Scientific Research Committee, the Hashemite University, (Member), 2004 – 2007, 2013-2019.

Equivalent Courses Committee, the Hashemite University, (Member), 2004-2005.

Student's contravention committee, the Hashemite University, (head and Member), 2004-2005, 2006-2007, 2010, 2014.
