The Journal of Genetic Psychology

A member in Editorial Board of the International Journal of Mental Health Nursing, Australia from 1, 1, 2013 to 31-12-2018.

Courses I taught at Bachelor level

1. Mental and Behavioral Adaptation/Theory

2. Mental and Behavioral Adaptation/Clinical

3. Group Counseling and Health Education

4. Fundamentals of Nursing/Theory

5. Fundamentals of Nursing/Clinical

6. Clinical Psychology for Occupational Therapists

7. Communication Skills

8. Health Education

9. First Aids

10. Mental Health and Counseling for Occupational Therapists

11. Nursing Research Methods

12. Mental Health Nursing/Theory

13. Mental Health Nursing/Clinical

14. Health Promotion and prevention

15. Patient Assessment (for Nursing and Respiratory Therapy students)

16. Adult nursing I

17. Teaching and Learning Strategies

18. Introduction to Psychology

19. Sociology, Health, and Health Care

20. Psychiatric Mental Health Nursing

21. Reproductive Health
22. Community Health Nursing
23. Leadership and Management in Health Care (for Respiratory Therapy students)
24. Nursing Leadership and Management
25. Health Education and First Aids

Courses I taught at Master Level:

1. Contemporary Issues in Mental Health Nursing
2. Advanced Psychiatric Mental Health Nursing I
3. Advanced Psychiatric and Mental Health Nursing III
4. Theoretical Basis for Psychiatric and Mental Health Nursing
5. Clinical Modalities in Psychiatric Mental Health Nursing
6. Nursing Mental Retardation
7. Psychopharmacology for Psychiatric Nurses
8. Graduation Project
9. Psychological Aspects of Chronic Illnesses
10. Advanced Psychiatric Mental Health Nursing II

Other areas:

1. Teaching online courses (hybrid courses using Blackboard and Moodle).
2. Using Evidenced Based-Practice and Problem-Based Learning in teaching my courses.
