

CURRICULUM VITAE OF

Dr. Ali Ahmad Ali Ammouri, RN, MSN, PhD

C1. Personal Information

Name: Ali Ahmad Ali Ammouri, RN, MSN, PhD

Date of Birth: Nov 22, 1973

Gender: Male

Nationality: Jordanian

Marital Status: Married (5 children)

Job Title: Professor /Adult Health Nursing Department

Address: Hashemite University/College of Nursing
Department of Adult Health Nursing
Zarqa (13115), Jordan
P.O Box 150459

Telephone: Work (962) 53903333 Ext. 5448
Home (962) 65050825
Mobile (962) 790580979

Fax: (962) 53903351

E-mail: aammouri@hu.edu.jo, aliammouri@yahoo.com

Major Field of Specialization: Adult Health Nursing (Medical-Surgical)

Areas of Research Interest: Cardiovascular Nursing; Primary and Secondary Prevention of Cardiovascular Disease; Health Behaviors, Health Promotion and Chronic disease; Perception of Risk of Heart Disease; Open Heart Surgery Management.

C2. Education and Employment Information

Education Information

2004: PhD in Nursing, University of Kansas/School of Nursing, Kansas, USA.

1999: Master Degree in Nursing Education, University of Jordan/Faculty of Nursing, Amman, Jordan.

1995: B.Sc. degree in Nursing, University of Jordan/Faculty of Nursing, Amman, Jordan.

Continuing Education

2001 Statistical Analysis Using SPSS

2005 Teaching Technology and University Evaluation

2007 E-learning course "Blackboard"

2011 Simulation Technology/lab education

2012 American Heart Association Resuscitation Guidelines

2015 Accreditation Commission for Education in Nursing Self-Study Forum

Employment Information

Academic Experience

2018- till present: **Professor** at College of Nursing/ Hashemite University, Jordan.

2010 - 2017: **Associate Professor** at College of Nursing/ Hashemite University, Jordan.

2011 - 2015: **Associate Professor** at College of Nursing/Sultan Qaboos University, Oman (Sabbatical & Unpaid Leave).

2005 - 2010: **Assistant Professor** at College of Nursing/ Hashemite University, Jordan.

2003: *Teaching Assistant* at school of Nursing/ University of Kansas, USA

2002 -2002: *Teaching & Research Assistant* at College of Nursing/ Hashemite University, Jordan.

Administrative Experience

2012 - 2015: Head of adult health and critical care department at college of nursing/Sultan Qaboos University, Oman

2007 - 2009: Head of Adult Health Nursing Department at College of Nursing/ Hashemite University, Jordan.

Clinical Nursing Experience

- 1999 - 2000: ICU & CCU Registered Nurse at Amman Surgical Hospital, Jordan.

C3. Teaching Experience

Teaching is the profession that I enjoy and make enjoyable to my students. To me, teaching is an art with a lot of challenges, full of satisfaction and pleasure for a successful teacher. I became a teacher by choice. I am proud to be a teacher. I have 17 years of teaching experience in two different universities in Jordan and Sultanate of Oman. I have made significant contributions in terms of quality teaching, designing lecture and teaching aids for effective teaching of adult health nursing at various level. I designed and taught many major and minor courses both at undergraduate and graduate levels in Adult Health Nursing.

Courses Taught

I taught the following 14 different courses at Hashemite and Sultan Qaboos University:

- Undergraduate Level:

1. Adult Health Nursing I (Theory)
2. Adult Health Nursing I (Clinical)
3. Adult Health Nursing II (Theory)
4. Adult Health Nursing II (Clinical)
5. Critical Care Nursing
6. Fundamental of Nursing (Theory)
7. Health Assessment (Theory)
8. Pathophysiology
9. Nursing Research
10. Communication

11. Introduction to Nursing Profession
12. Health Education & First Aid

- Graduate Level:

1. Advanced Pathophysiology
2. Research Project

Curriculum Development and Teaching Managements

From the very beginning of my teaching career in the university, I took special interest in curriculum development and to enrich the departmental, college and university. In this regard my selected contributions are listed as follows:

1. I have prepared course curriculum and course outline along with the text books for the following courses: Adult Health Nursing, Health Assessment. Pathophysiology, Communication
2. A member of the "Curriculum" committee at the College of Nursing (2005-till present)
3. A member in the committee that initiate & develop the master degree program in Psychiatry & Mental health Nursing and Oncology Nursing Specialist at Hashemite University
4. Chairperson of the committee that initiate & develop the master degree program in Adult and Critical Care at Sultan Qaboos University
5. Chairperson of curriculum committee at Sultan Qaboos University (2012-2014)
6. Chairperson of evaluation & examination committee at Sultan Qaboos University (2012- 2014)

Student Advising

I have been contributing to academic advising in the College of Nursing. I have been serving as an academic advisor. I have been serving as an academic advisor during the last 12 years for students from B.Sc & M.Sc

students in the college. As an academic advisor, I have offered academic and career guidance to my advisee students.

Teaching Activities outside the Classroom

1. Lectures about First Aid for University students'.
2. Lectures about Advanced CPR (ACLS) for University's medical students.

Supervision of M.Sc. project reports

Supervised 8 M.Sc. project students in the Research project course (2016-2017).

Supervision of M. Sc. theses

1. Member in the advising committee for the graduate student **Anas Amr**, RN, MSN at Faculty of Nursing/ Jordan University of Science and Technology. The Thesis was entitled " Evaluating risk factors for post-operative deep sternal wound infection among Jordanian CABG surgery patients: retrospective study" (2006-2007).
2. Member in the advising committee for the graduate student **Samer Abdulmalek**, RN, MSN at Faculty of Nursing/ Jordan University of Science and Technology. The Thesis was entitled "Perceived Learning Needs of Yemeni Patients Post Cardiac Surgery " (2009-2010).
3. Member in the advising committee for the graduate student **Mohammad Al-Naeem**, RN, MSN at Faculty of Nursing/ The University of Jordan. The Thesis was entitled "Effect of Prophylactic laxatives for opioid-induced constipation on constipation severity and quality of life among Jordanian patients with cancer" (2015-2016).
4. Member in the advising committee for the graduate student **Sondos Aijelan**, RN, MSN at Faculty of Nursing/ The University of Jordan. The Thesis was entitled " the lived experience of critically ill patients in isolation rooms:a phenomenological injury" (2017-2018).

Supervision of PhD theses

1. Member in the advising committee for the PhD student **Falastin Hamdan**, RN, PhD at Faculty of Nursing / The University of Jordan. The Dissertation was entitled "Predictors Of Delay In Seeking Medical Care In Jordanian Patients With Acute Myocardial Infarction (2010-2011)
2. Member in the advising committee for the PhD student **Eman Al Nazly**, RN, PhD at Faculty of Nursing / The University of Jordan. The Dissertation was entitled "Stressors and Ways of Coping among Jordanian Patients Undergoing Hemodialysis (2010-2011).
3. Member in the advising committee for the PhD student, **Mohammad Bani Younis** RN, MSN at Faculty of Nursing / The University of Jordan. The Dissertation is entitled " Effectiveness of Using Eye Mask and Earplugs on Percieved Quality of Sleep among Intensive Care Patients: An Experimental Study." (Ongoing)

Papers Submitted for Publication in Referred Journals

1. Mahtov, O., Tailakh, A., & **Ammouri, A.** (2017). Correlates of Health Behaviors, Sleep, and Stress Level among College Students. ***International Nursing Review***

Ongoing Research

1. Effects of Discharge Training on Self-Care Ability, Self-Care Behavior, and Symptom Experience After Coronary Artery Bypass Graft (CABG) Surgery: Randomized Clinical Trial Study
2. Self-care behaviors among diabetes patients in Oman

Grant and Research Support

1. Primary Investigator: Psychometric Evaluation of the Perception of Risk of Heart Disease Survey (PRHDS) Among Jordanian **(\$3000)** (funded by Hashemite University, Jordan). **(2005-2007)**
2. Primary Investigator: Hypertension Knowledge, Awareness, Medication Adherence, and Lifestyle Behaviors among Hypertensive Patients in Oman **(\$5000)** (Funded by Sultan Qaboos University, Oman). **(2012-2013)**.
3. Primary Investigator: Cardiovascular Disease Risk Factors, Knowledge, and Awareness in Oman **(\$3000)**(funded by Sultan Qaboos University, Oman) **(2013-2014)**.
4. Primary Investigator: Effectiveness of diabetes education program to improve self-care management for adult with type 2 diabetes mellitus **(20,750\$)**(funded by Sultan Qaboos University, Oman) **(2014- 2015)**.
5. Primary Investigator: Developing and Evaluating of a Multidisciplinary Discharge Educational Program For CABG Patients in Jordan **(\$4000)** (funded by Hashemite University, Jordan). **(2017- 2019)**

Conference participation

1. Participate in a workshop that held at the **Hashemite University**/School of nursing about the establishment of a master program in Psychiatric & Mental Health Nursing (Feb 2005)

2. Participate in a workshop that held at the **Hashemite University/** School of Nursing about "Challenges that face nursing students at clinical training" **Zargha, Jordan** (March 2005)
3. Presenting a research study at the First International Nursing Conference held by **Jordan Nursing Council**. The paper was entitled: "Psychometric Evaluation of the Perception of Risk of Heart Disease Survey (PRHDS) Among Jordanian". **Amman Jordan** (April 2006)
4. Participate in the 3rd Scientific Day at **Mu'tah University/School of Nursing** entitle "Nursing Profession in Southern Jordan: Challenges for improvement" , **Mu'tah, Jordan**(April 2006)
5. Presenting a research study at "American Public Health Association (APHA) 135th Annual meeting" **Washington DC** (November, 2007). The paper entitled "Correlates of Exercise Participation in Adolescents".
6. Participation in the scientific day held at **Philadelphia University/school of nursing** entitled "Improvement of health through scientific research" **Amman, Jordan** (Dec, 2007)
7. Presenting a research study at the Second International Nursing Conference held by **Jordan Nursing Council**. The paper was entitled: "Gender Differences in Health Promoting Lifestyle of Adult Jordanians". **Amman, Jordan** (April 2008).
8. Participate in the First International Nursing Conference – Innovations in Nursing Education & Practice leading to Quality Care that was held at **College of Nursing/Sultan Qaboos University, Oman** (Nov, 2011).
9. Attend the First Middle East AHA Resuscitation Conference that was held at **Oman Heart Association, Muscate, Oman** (April, 2012)
10. Presenting a research study at Al-Gharbia Hospitals 2nd International Nursing Conference held by **Health Authority – Abu Dhabi**. The paper was entitled: "Nurses' Practice, Attitudes, Knowledge, Skills and Barriers to Evidence-Based Practice ". **Abu Dahbi, UAE** (April, 2013)
11. Presenting a research study at MNRS 38th Annual Research Conference in **St. Louis, Missouri, USA**. The paper was entitled: "Patient Safety Culture Among Nurses". (March, 2014).

12. Keynote speaker in the National Nursing day - *Nursing: A Leading Force for Change*- that was held in November 2014 by **Ministry of Health, Khoula Hospital, Oman**. The speak was about “Power and Empowerment in Nursing”.
13. Keynote speaker in the 4th SEHA Internal Conference - *Innovation, Integration, and Motivation: leading the Journey Towards Nursing Excellence*- that was held in November 24-25, 2015 in **Abu Dhabi UAE**.
14. Presenting a research study at **Sigma Theta Tau International Odyssey 2016 Conference** - *Influence To Advance Global Health And Nursing*. The paper was entitled "Symptom Management Strategies of Patients Following Coronary Artery Bypass Grafting Surgery" **Los Angelos, USA** (October , 2016).

Reviewer for Refereed International Journal

I regularly review papers for the following refereed scholarly journals:

1. Journal of Nursing Scholarship
2. Public Health Nursing
3. European Journal of Public Health
4. International Nursing Review
5. Journal of Nursing Measurement
6. The Western Journal of Nursing Research
7. Clinical Nursing Research
8. Sultan Qaboos University Medical Journal
9. International Journal of Nursing Practice
10. MNRS Annual Research Conference (Abstract reviewer)

C5. Service

Department level

1. Head of Adult Health Division (9 / 2007- 9/2009).
2. Chairman of the Graduate Studies Committee (2009-2010).

3. Chairman of the Scientific Research Committee (2016/2017).
4. Chairman of the technical committee to prepare the laboratories Health Assessment (2009/2010)
5. Member of the Scientific Research Committee (2005-2010, 2015/2016)
6. Member of the Graduate Studies Committee (2015/2016).

College level

1. A member of the Faculty Council (2015-2017).
2. Chairman of the Scientific Research Committee (2016/2017)
3. Chairman of the Academic Quality Assurance Committee (2016/2017)
4. Member of the Appointment and Promotion Committee (2016/2017)
5. Member of the Academic Advising Committee for master's students (2016-2017)
6. Member of the Strategic Plan Committee (2009-2017)
7. Member of the Graduate Studies Committee (2015-2017)
8. Member of the Scientific Research Committee (2009-2016)
9. Chairman of the accreditation standards (2009/2010)
10. Member of the Academic Quality Assurance Committee (2015/2016)
11. Member of the Academic Advising Committee for second-year students (2015-2016)
12. Supervisor of students' projects relating to adults and Critical Care (2009/2010)
20. Member of the Comprehensive Exam Committee for the Master's program in the specialty of Oncology Nursing
21. Served as an internal examiner in the Comprehensive Exam for Clinical Training and Professional Adaptation Nursing Course at Hashemite University (2006-2017)
