-2000-2003: Teaching assistant, Department of English Language and Literature, Hashemite University, Zarqa, Jordan

### **Research Interests**

I specialize in the cross-linguistic study of the morphosyntactic representation of the "Defaultness" patterns, I am also investigating the mechanism of "Grammaticalization" as represented in the morphosyntactic and morphological awareness elements in Jordanian as well as Modern Standard Arabic. I am also working on TEFL and TESOL framework and their cross linguistic implications.
