

Curriculum Vitae

Name: Motasem Mohd Defallah Al-Latayfeh
Office Address: School of Medicine
Hashemite University, Zarqa, Jordan
Home Address: P.O. Box 1134, Amman 11947
Phone: +962797397711
Email: Motasem974@gmail.com
Place of Birth: Zarqa-Jordan

Education

Year	Degree (honor)	Field of study	Institution
1992	High School (9 th rank in whole Kingdom)		Ministry of education/ Jordan
1998	M.B.B.S (Excellent, Rank #1)	General Medicine and Surgery	Jordan University of science and Technology(JUST)
2003	HSTOphth(very Good)	Ophthalmology	JUST

Postdoctoral Training

Year	Title	Specialty	Institution
07/98-06/99	Intern	General Medicine and surgery	JUST-affiliated hospitals
07/99-06/03	Resident	Ophthalmology	King Abdullah University Hospital- JUST
07/09-7/10	Vitreoretinal Fellow	Ophthalmology	Joslin Diabetes Center, Boston, MA, USA

07/10- 6/2011	Vitreoretinal Fellow	Ophthalmology	Kentucky Lions Eye Center, Louisville, KY, USA
------------------	----------------------	---------------	--

Faculty Academic Appointments

Year	Title	Department	Institution
02/02- 06/09	Lecturer	Optometry	JUST
07/2011-	Assistant Prof.	Ophthalmology	Hashemite University

Appointments at Hospitals/Affiliated Institutions

Year	Position Title	Department	Institution
05/04- 04/09	Ophthalmologist	General Ophthalmology	Sharif Eye Center
7/09- 7/2010	Fellow	Vitreoretinal	Joslin Diabetes Center
07/10- 6/2011	Fellow	Vitreoretinal	Kentucky Lions Eye Center
7/2011-	Vitreoretinal surgeon	Ophthalmology	Prince Hamza Hospital
7/2011- present	Assistant professor	Ophthalmology	School of Medicine/Hashemite University
11/2012-	Visiting Vitreoretinal Specialist	Vitreoretinal	Jordan Eye Center – Erbil Iraq
7/2013-	Ophthalmologist/Vitreoretinal specialist	Ophthalmology	Private practice

Major Administrative Leadership Positions

Local

Years	Position title	Institution
07/03- 06/04	Program director-Optometry Dept.	JUST-Jordan
05/04- 04/09	Medical Director	Sharif Eye Center-Zarqa Branch
12/2014-	Head of Ophthalmology Department	Prince Hamza Hospital

Professional Societies

Year	Society Name	Dates of Role	Title of role
1999-	Jordan Medical Syndicate	1999	Member
2003-	Jordan Ophthalmology Association	2003	Member
2010-	American Academy of Ophthalmology	2010	Member
2009-	ARVO	2009	Member
2010	Kentucky Academy of Eye Physicians	2010	Member
2015-	American Society of Retina Surgeons (ASRS)	2015	Member

Courses:

Year	Course Title	Location
2011	Teaching Skills for Faculty staff	Hashemite University
2016	Training of Trainers Course in Phacoemulsification	Tblisi, Georgia
2017	Professional Speakers Course	Dubai

Recognition

Year	Name of Award/recognition	Organization conferring recognition
1991	Chemistry Society Award	Chemistry Society/ Jordan
1992-1994	President's Honor List	Jordan University of Science & Technology
1992-1998	Dean's Honor List	Jordan University of Science & Technology
1998	Royal prize	Royal court/ Jordan
2005	International scholar in Jordan	International council of ophthalmology
2010	Best Posters at NEOS meeting-3 rd place	New England Ophthalmic Society/ Boston

Presentations

- Kentucky Academy of Eye Physicians Meeting 2011: Longterm Visual Acuity and Retinal Thickness Changes after Pars Plana Vitrectomy for Idiopathic Epiretinal Membranes. M. Al-latayfeh, J. el-Annan, Y. Barak, CC Barr.
- Annual conference of Association for Research in Vision and Ophthalmology, May, 2011: Neutralization of Macrophage Migration Inhibitory Factor (MIF) can Prevent Proliferative Vitreoretinopathy (PVR) by Inhibiting Epithelio-Mesenchymal Transformation (EMT) of Retinal Pigment Epithelium (RPE). Motasem M. Al-latayfeh, Ashley Mullins, Qun Zeng, Kwang-Soo Kim, John O. Trent, Henry J.

Kaplan, Robert A. Mitchell, Tongalp H. Tezel. Paper presentation

- Annual conference of Association for Research in Vision and Ophthalmology, May, 2010: Unawareness of Vision Threatening Diabetic Retinopathy and Appropriate Followup in a Tertiary Telemedicine Eye Care Program. P.S. Silva, J.K. Sun, M.M. Al-Latayfeh, C.R. Sanchez, S. Walia, K. Hock, A.M. Tolson, J.D. Cavallerano, L.M. Aiello, L.P. Aiello. Poster
- Annual conference of Association for Research in Vision and Ophthalmology, May, 2010: Higher Body Mass Index is a Risk Factor for Diabetic Macular Edema and is Associated with Worse Visual Acuity and Less Acuity Improvement Following DME Treatment - M.M. Al-Latayfeh, S. Walia, C.R. Sanchez, P.S. Silva, J.K. Sun, J.D. Cavallerano, L.P. Aiello. Poster
- 2010 Dohlman Visiting Professorship/20th Annual Fellows' Course, January, 2010. Optical Coherence Tomography in Diabetic Retinopathy. M. Al-latayfeh, JK Sun, L.P. Aiello.
- Longwood Medical Area Conference, Dec, 2009. Post-LASIK ectasia: Risk assessment and updates on Management. M. Al-latayfeh
- Clinical Pearls in The management of Retained Lens Fragments. March 2014. Retina Day of Ophthalmic Society
- How Much Diabetic Patients are aware of Diabetic retinopathy. Feb 2016. Winter Meeting of Jordan Ophthalmic Society.
- Updates on the management of Dry AMD. Ibn Alhaytham Morning Lecture. 3/2016
- Role of Food Supplements in The Management of AMD. KOL meeting Bausch & Lomb. 1/10/2016. Tbilisi, Georgia.
