

Résumé

Hutaf Salah Al-Deen Natoureh

Jordan
Amman

☎ 962-79-7298430
☎ 962-77-5680025

Email: natoureh@hotmail.com

Personal Information:

Nationality: Jordanian
Sex: Female
Date of Birth: August, 17, 1982 age(35) years
Status: Married(three children)

EDUCATION

- Master in Information Technology, Computer Science, University of Jordan, 2007.
Accumulated Average 3.56 / 4.
Thesis title:
"An Integrated Efficient and Flexible Planning and Scheduling System for Multi-Agent Systems Using Evolutionary Algorithms"
Thesis domain: Artificial Intelligence.
- Bachelor in Information Technology, Computer Science, University of Jordan. Graduated in June 2004.
Accumulated Average 3.61 / 4.
- Tawjehi (Science Section) Average: %90.1 Amman - Jordan, 2000.

EXPERIENCE:

- Two semesters in University of Jordan working as: teaching and research assistant, and exams supervisor during the MSC course.
- Trainer and Programmer in the EITC (European Information Technology) center – Amman during the period 8/2004 - 8/2006
- IT Specialist in the Computer Engineering Department at the University of Jordan during the period 21/11/2006 - 9/1/2008 (has the responsibility of preparing and teaching the Object Oriented course labs and experiments)

- Part-Time lecturer in the Management Information Systems Department in the University of Jordan during the period 1/9/2007 – 30/1/2008
 - Full-Time lecturer in the Management Information Systems Department in the University of Jordan during the period 2/3/2008 – 29/1/2010 (I gave the courses of “Simulation Modeling and Analysis”, “Supply Chain Management”, “Fundamentals of Management Information Systems”, “web development” and “Systems Analysis and Design”).
 - Teacher Assistant for the purpose of contract in the Business Information Technology Department at the University of Jordan-Aqaba during the period 30/1/2010 – 29/7/2010.
 - Part-Time lecturer in the Management Information Systems Department in the University of Jordan during the period 16/2/2011 – 29/5/2012
 - Full-Time Lecturer in the Basic Aided Sciences Department-Faculty of Science – Hashemite University. From 9/9/2012 – until now.
-

PROGRAMMING SKILLS

- High programming skills in high level languages such as Java , C++ , visual basic, Matlab and Prolog.
 - DataBase programming using SQL and Oracle
 - Graphics and Imaging Using OpenGL, Java and Matlab.
 - Java Network Programming
 - ASP.net with C#
 - Familiar with WindowsXP, Sun Solaris and Redhat Unix Operating Systems.
-

TRAINING

- Oracle 8i from the Internet and computer club in the University Of Jordan, 2002
- Asp.net from the Internet and computer club in the University Of Jordan, 2003
- Sun Solaris essentials from the STS center - Amman, 2007
- Sun Solaris Admin from the STS center - Amman, 2007
- Toefl Preparation Course from the Consultation Center of The University Of Jordan, 2007
- Statistical Analysis Using SPSS-Level1 -Amman-Talal Abu Ghazaleh Center- February 2016

LANGUAGE SKILLS

- Arabic: Excellent (speaking, reading, and writing)
- English: 6/9 in IELTS Exam (reading and writing: excellent\
speaking : very good)
