- **The Hashemite University / Department of Biology & Biotechnology. Teaching assistant.** From 2001 to 2003. Teaching: Practical general biology (1 & 2) and Micro-techniques.

### Education:

- **M.Sc. Biological Sciences.** The Hashemite University. Jordan. 2005.  
The research title is "The Relationship of Bacteriospermia in Human Seminal Fluid to Sperm Motility."
  - The research in the field of male infertility, as a branch of developmental biology. Molecular biology & diagnostic microbiology were involved in my research.
- **B.Sc. Biological Sciences.** The University of Jordan. Jordan. 2001.
- **General Secondary Education Certificate (Scientific Stream). The Jubilee School for Gifted Students (1<sup>st</sup> Class of graduates) / King Hussein Foundation.** Jordan. 1997.

### Publications:

Yasin, S. R., Tahtamouni, L. H., **Najeeb, N. S.**, Issa, N. M., Al-Mazaydeh, Z. A. and Alfaouri, A. A. (2014), **Genomic integrity of the Y chromosome sequence-tagged-sites in infertile and Down syndrome Jordanian males.** *Andrologia*. Vol 46 (7), 770-6.

### Conferences & Training Courses:

- Attending the 6th International Congress of The Jordanian Society for fertility & Genetics. Jordan. April 22-24,2015
- Attending the 5th International Congress of The Jordanian Society for fertility & Genetics. Jordan. April 24-26,2013
- Attending a course of Genetics & Infertility, organized by the 5th International Congress of The Jordanian Society for fertility & Genetics. Jordan. April 24,2013
- Photography courses & workshops since 2011 till now.
- E-Learning training course. The Hashemite University. Jordan. 2010

- Attending the American Association for Cancer Research (AACR)-Dead Sea. Jordan March 7-10,2010
- Attending the 2<sup>nd</sup> KHIBC Mena Cancer Research Conference 2010. Jordan
- Attending the 3<sup>rd</sup> International Congress of The Jordanian Society for fertility & Genetics. Jordan. April 8-10,2009
- Workshop about Writing the Scientific Research Proposal. The Deanship of Scientific Research & Graduate Studies. The Hashemite University-Jordan. 2009
- Cytogenetics Workshop. Al-Balqa'a University. Jordan. 2009
- Workshop with Dr. Nadia Al-Srouf about preparation of the gifted students' curriculums. The Jubilee School. 2006
- Workshop with Dr. Richard Ligamat about critical thinking. The Jubilee School. 2006.
- Training in Jordan hospital / section of Body Fluid. From 1/8/2001 to 1/9/2001.
- Attending the Conference of biological & Medical Laboratory Sciences. The University of Jordan. 12-13 Sep. 2001.
- Internet course. University of Jordan. 1999.

**Membership:** A member at the Jordanian Photography Society (JPS)

**Computer Skills:** Microsoft office (Word, Excel, PowerPoint)

**Languages:** - Arabic (mother tongue)

- English (very good; reading, speaking & writing)
