

Maysam M. Abu-Dalo

PERSONAL INFORMATION

Nationality: Jordanian
Material Status: Married
Email: ma.abodallo@hu.edu.jo
Mobile: +962-797088744

EDUCATION

- Jordan University of Science and Technology (JUST) –Irbid, Jordan
M.Sc. in Applied Mathematics, Oct 2006 - Jan 2008
Thesis Title: *A modified Adomian's method for solving differential equations*
- Jordan University of Science and Technology (JUST) –Irbid, Jordan
B.Sc. in Applied Mathematics, Sep 2001 - Jun 2005

EXPERIENCE

Full-time Lecturer

Hashemite University
Sep 2013 - Present

Teaching and Research Assistant

Hashemite University
Sep 2008 - Sep 2013

Part-Time Lecturer

Jordan University of Science and Technology
Summer semester of 2007/2008

Teaching Assistant

Jordan University of Science and Technology
Oct 2006 - Jan 2008

COURSES TAUGHT

- Pre-Calculus
- Calculus I and II
- Mathematics for Economics and Business

PUBLICATION

Nedal Tahat , Khaled Alzubi , Maysam Abu-dalu , Ala Qadomi "AN EFFICIENT STAMPED PROXY PARTIALLY BLIND SIGNATURE SCHEME UTILIZING ELLIPTIC CURVE CRYPTOSYSTEM", International Journal of Pure and Applied Mathematics, Volume 105 No. 2 2015, 297-309

Mohammed Al-Refai, Maysem Abu-Dalu and Ahmed Al-Rawashdeh, "Telescoping Decomposition Method for Solving First Order Nonlinear Differential Equations", in International MultiConference of Engineers and Computer Scientists 2008, Vol II IMECS 2008, 19-21 March, 2008, Hong Kong

QUALIFICATIONS AND SKILLS

- Teaching and assessment technologies in higher education
- Development Software: Mathematica, MATLAB
- C++ programming language
- ICDL
