

Name: Amjed Adnan Ahmed Tarifi.

Date of Birth: August 27th, 1981.

Marital Status: Married.

Nationality: Jordanian.

Email: amjed.tarifi@gmail.com.

Tel (mobile): +962 79 5815191.

Address: Al-Mansour District, Al-Jubeiha, Amman.

P.O.BOX: (150748) Zarqa (13115) Jordan.

EDUCATION & QUALIFICATIONS:

- Head and Neck Oncologic Surgery Fellowship at University of Oklahoma in Oklahoma City, OK: 7/2012 to 6/2014.
- Jordanian Board in Otorhinolaryngology in 8/2010.
- Higher Specialty in Medicine and Otorhinolaryngology in King Abdulla University Hospital (K.A.U.H), Jordan University of Science and Technology (J.U.S.T): 7/2005 to 6/2010 (Grade: Very Good).
- MBBS degree in J.U.S.T: 9/1998 to 6/2004 (Grade: Excellent).
- High school in 1998.
- ECFMG certified (My Number is 07888928). Also, I have passed USMLE Step 3.

PREVIOUS WORK EXPERIENCE:

- Assistant professor at the Medical School, General and Special Surgery department at Hashemite University (9/2014-present).
- Otorhinolaryngologist and head and neck surgeon at Prince Hamza Hospital, Amman (12/2014-present).
- Otology/Neurotology Minifellowship and Observership (7-25/7/2014). During this period, I did multiple temporal bones dissection, in addition to attending many operations, clinics, and didactics.
- Head and Neck Oncologic Surgery fellow at University of Oklahoma at Oklahoma City, OK (7/2012-6/2014). My training included exposure to and management of wide spectrum of head and neck diseases. These included disorders of thyroid gland, parathyroid gland, oral cavity, oropharynx, hypopharynx, larynx, trachea, cervical esophagus, soft tissues, nasal and paranasal sinuses, salivary glands, skin, temporal bone, and base of skull. The management plans consisted of initial assessment of new patients, preoperative evaluation, surgical management (both ablative and

reconstructive), postoperative care, and long term follow-up. Multidisciplinary care was also instituted in care of many patients.

In addition, I was involved in many departmental educational activities, including basic core, grand rounds, morbidity and mortality, journal club, tumor board, and tumor breakfast.

- Clinical instructor of Otorhinolaryngology rotation of 5th year medical students at Hashemite University in Zarqa, Jordan (9/2011-6/2012).
- Otolaryngologist in Private Sector in Zarqa, Jordan (9/2010 to 9/2011).
- Otorhinolaryngology resident at K.A.U.H (7/2005 to 6/2010): My training included outpatient & inpatient management. In addition, my surgical training included emergency procedures, adenoidectomy, tonsillectomy, myringotomy with ventilation tube insertion, septoplasty, endoscopic sinus surgery, tracheostomy, direct laryngoscopy, tympanoplasty, mastoidectomy, & being a first assistant in many advanced procedures like cochlear implantation & vagal nerve stimulator insertion.
- Did an observership rotation at the Department of Otolaryngology-Head and Neck Surgery of Virginia Commonwealth University Medical Center, Richmond, VA (4/19/2010 to 5/14/2010).
- Participated in teaching 5th year medical students in their otorhinolaryngology rotation at J.U.S.T by giving rounds & seminars.
- Chief resident for 1 year.
- Course instructor of "Anatomy and Physiology of Hearing and Speech" for students of Audiology & Speech Specialty at J.U.S.T (2/2009 to 6/2009).
- Course instructor of "Diseases of Ear, Nose, and Throat" for students of Audiology & Speech Specialty at J.U.S.T (9/2008 to 1/2009).
- Internship year in Jordan University Hospital (7/2004 to 6/2005) included 3 months in department of surgery, 3 months in internal medicine department, 2 months in pediatric department, 2 months in OBS/GYN department, 1 month in emergency room department, & 1 month in ophthalmology department.
- Medical student at J.U.S.T directly after high school (9/1998 to 6/2004).

MEMBERSHIP:

- American Medical Association.
- Jordan Medical Association.
- Jordan Medical Council.
- Jordan Society for Otolaryngologists.
