FAIROUZ FAROUQ HUSSEIN

PERSONAL INFORMATION

Nationality : Jordanian
Marital status : Married
Gender : Female
E_mail : fairouzf@hu.edu.jo

EDUCATION

- Ph.D. in computer systems 2017 University of Technology Sydney
- M.C.s in Computer Science 2002 Jordan University (very good)
- B.C.s in Computer Science 2000 Hashemite University(very good)
- High School 1996 (excellent 90.2)

Education	Date Commenced	Date Completed	Education Provider	Address	Grade	Course Completed
Ph.D. in computer systems	March/2014	May/2017	University of Technology Sydney	Australia/Sydney	The thesis has got the highest rank by the reviewers	Multimedia ,Computer vision and machine learning
M.C.s in Computer Science	September /2000	October / 2002	Jordan University	Jordan /Amman	Very Good 3.27/4	Computer science
B.C.s in Computer Science	August /1996	June /2000	Hashemite University	Jordan /Zarqa	Very Good 3.03/4	Computer science
High School	August /1995	June /1996	Um Aldarda High School	Jordan /Zarqa	Excellent 90.2/100	Tawjehi

LANGUAGES

Arabic as a tongue language

Excellent in writing, reading and speaking English

WORK EXPERIENCE

Working in the department of Computer Information Systems at the Faculty of Prince Al-Hussein Bin Abdullah II for Information Technology at the Hashemite University as the following:

- ❖ A "professor Assistant" (1st Oct, 2017 till now)
- ❖ An "Assistant Tutor " (9th, Sep, 2012 till 5th, Jan, 2014)
- ❖ A "Full time Lecturer" (7th, Sep, 2008 till 8th, Sep, 2012)
- ❖ A "Teaching and Research Assistant "(25th, Sep, 2002 till 6th, Sept, 2008)

(Hashemite University- Zarqa - Jordan –Tel.: 0096259303333- Fax :0096253826820
P.O.Box:330127 Postal Code : 13133 Zarqa - Jordan)

Teaching in Hashemite University the following courses:

- Web programming
- Compiler
- Database Systems
- Graphic Design
- Data Structures
- Object Oriented (2) Programming (Java language)
- Digital Design (Logic)
- Discrete Mathematics
- Visual Programming (Visual Basic.NET)
- Fundamental Of Computer Science
- Object Oriented (1) Programming (C++)
- Computer Skills 1
- Computer Skills 2 /scientific (C++)

Computer Skills 2 / Humanities (Visual Basic.6)

ACTIVITIES

- A reviewer in Machine Vision and Applications magazine (MVAP)
- Project Supervisor for Final Year Projects
- Member in library committee
- Attended in Microsoft momentum2005

- Student registration supervision (2002 until now)
- Member of an examination committee for undergraduate project
- Participated in placing first, second & final Exams for both online & manual teaching individually as well as part of a team
- Monitoring both online & manual Exams
- Coordinating skills 1 and skills 2 course, so increase the question online bank up to 1000 questions

RESEARCHES UNDERTAKEN

These are the publications produced to date:

- Fairouz Hussein, Sari Awwad, and Massimo Piccardi. “Joint action recognition and summarisation by sub-modular inference”, 2016 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP).
- Fairouz Hussein and Massimo Piccardi. “V-JAUNE: A Framework for Joint Action Recognition and Video summarisation”, 2017 ACM Transactions on Multimedia Computing, Communications, and Applications (ACM TOMM).
- Fairouz Hussein and Massimo Piccardi. “Minimum Risk Structured Learning of Video summarisation”, The 19th IEEE International Symposium on Multimedia (ISM2017) 2017.
- Sari Awwad, Fairouz Hussein, and Massimo Piccardi. “Local Depth Patterns for Tracking in Depth Videos”, 23rd ACM International Conference on Multimedia, 2015.

REFEERES

Dr. Ahmad Khasawneh (PhD)

Dean of Prince Al Hussein bin Abdullah II Faculty of Information Technology

Associate Professor of Information Systems and Technology

Hashemite University ((962) (5) 390 3333 ext. 4595

*** P.O. Box 150459, Zarqa 13115, Jordan**

akhasawneh@hu.edu.jo | <http://it.hu.edu.jo/>

Dr. Ahmed Ottom(PhD)

Vice Dean of Prince Al Hussein bin Abdullah II Faculty of Information Technology

Assistant Professor of Information Systems and Technology

Hashemite University ((962) (5) 390 3333 ext. 4722

*** P.O. Box 150459, Zarqa 13115, Jordan**

cis@hu.edu.jo | <http://it.hu.edu.jo/>

PROGRAMING LANGUAGES

ASP.net, Android, Java, Visual Basic.6, Visual Basic.net, Pascal, Object Oriented C++, C, Assembly, Delphi.

COURSES TRAINING

- **Microsoft ASP.NET 2.0 Web Applications Using Microsoft Visual Studio 2005 (21/6/2006 to 28/6/2006)**
- **Developing Windows App & Web App using C#. Net & ADO.NET (9/1/2005 to 21/2/2005)**
- **Training in Educational Technology (22/6/2003 to 26/6/2003)**
- **Oracle Developer 2000 (14/6/99 to 6/7/99)**
- **Delphi 3.0 (23/2/98 to 15/4/98)**
